

OLC 76-1646/a 25 JUN 1976

Honorable Edward M. Kennedy, Chairman
Subcommittee on Administrative Practice and
Procedure
Committee on the Judiciary
United States Senate
Washington, D. C. 20510

Dear Mr. Chairman:

This is in response to your letter of 7 June 1976 expressing concern as to the Agency's plans to destroy Agency material which has been under a moratorium imposed by the Senate leadership pending completion of the investigation of the Agency by the Senate Select Committee.

By letter of 2 June, I informed Senators Hugh Scott and Mike Mansfield of our plans to destroy Agency documents and materials and requested their confirmation of our intended action in view of the moratorium. This was done only as a preliminary step to destruction to determine if there is further congressional interest. I wish to make clear that it was never my intention to destroy any documents still subject to Justice Department investigation or relevant to litigation.

We have extended the moratorium for six months, to expire on 10 December 1976, as requested by the Senate leadership. Prior to the destruction of any records, we shall transmit to the Senate Select Committee on Intelligence copies of the record schedules which are submitted to the National Archives and Record Service for their approval prior to the destruction of any records. The same will be done with respect to those routine administrative records which, although not involved under S. Res. 21, were withheld from routine destruction during the life of that Resolution.

CRC, 10/06/2003

You may also be assured that we will not destroy any Agency record holdings of interest to any pending Freedom of Information Act or Privacy Act requests. In regard to your support of pending legislation to require the Agency to notify individuals concerning whom we have information which is deemed to have been collected improperly, I must reaffirm my position as stated to the House Government Operations Subcommittee on Government Information and Individual Rights. Such notification would be unworkable as our information is incomplete and considerably outdated. Further, such an undertaking could be a further violation of the privacy of the individuals involved if mail is misdirected. The principal programs involved, mail intercept and CHAOS, involved passive collection and did not involve any Agency actions directed against specific individuals.

I appreciate your personal interest in the matter and trust that this letter satisfies your concerns.

Sincerely,

/s/ George Bush

WASHINGTON (AP) — SENATE LEADERS HAVE LEFT IT TO THE NEW INTELLIGENCE COMMITTEE TO DECIDE WHETHER THE CIA SHOULD BE ALLOWED TO DESTROY ITS FILES ON ITS PAST MISDEEDS.

SENATE MAJORITY LEADER MIKE MANSFIELD AND MINORITY LEADER HUGH SCOTT SAID TUESDAY THEY WOULD LEAVE THE QUESTION OF THE CIA FILES IN THE HANDS OF THE JUST-CREATED COMMITTEE.

CIA DIRECTOR GEORGE BUSH WROTE TO MANSFIELD AND SCOTT TO TELL THEM HE PLANNED TO DESTROY THE FILES NOW THAT CONGRESSIONAL INVESTIGATIONS INTO ALLEGATIONS OF IMPROPER CONDUCT HAD BEEN COMPLETED.

MANSFIELD AND SCOTT WERE THE ONES WHO HAD ASKED THE CIA TO SAVE THE FILES WHILE CONGRESS WAS INVESTIGATING THE ALLEGED MISDEEDS.

ALTHOUGH THE FILES ARE NO LONGER NEEDED FOR CONGRESSIONAL INVESTIGATIONS, MANY OF THE SAME DOCUMENTS ARE THE SUBJECT OF PENDING COURT CASES INVOLVING THE CIA'S MAIL-OPENING PROGRAM, AS WELL AS THE ILLEGAL DOMESTIC SPYING ON AMERICAN CITIZENS.

MEANWHILE, THE MEMBERS OF TWO SUBCOMMITTEE HAVE URGED BUSH NOT TO DESTROY THE MATERIAL.

REP. BELLA ABZUG D-N.Y., WHO CHAIRS THE HOUSE GOVERNMENT INFORMATION SUBCOMMITTEE WROTE BUSH AND SAID: "I URGE YOU TO RETHINK YOUR REQUEST AND WITHDRAW IT."

REP. ABZUG TOLD BUSH: "YOUR REQUEST PRESUMABLY WOULD INCLUDE FILES AND RECORDS RELATING TO ASSASSINATIONS OF FOREIGN LEADERS AND OTHER MATTERS WHICH MAY BE OF CONTINUING INTEREST TO VARIOUS CONGRESSIONAL COMMITTEES."

SEN. EDWARD KENNEDY, D-MASS., CHAIRMAN OF THE SENATE ADMINISTRATIVE PRACTICE AND PROCEDURE SUBCOMMITTEE ALSO WROTE TO BUSH AND SAID: "I URGE YOU TO DEFER ANY SUCH PLANNED DESTRUCTION FOR THE FORESEEABLE FUTURE."

(KENNEDY LETTER ATTACHED)

KENNEDY CALLED IT INCONCEIVABLE THAT THE CIA LACKS THE STORAGE CAPACITY TO KEEP THE FILES.

"IN LIGHT OF THE CONTINUING INTEREST OF THE CONGRESS AND THE PUBLIC IN THE INTELLIGENCE ACTIVITIES OF GOVERNMENT — PAST AS WELL AS FUTURE — I THEREFORE REQUEST THAT THE PROPOSED DOCUMENT DESTRUCTION NOT BE CARRIED OUT UNTIL THE MANY CONGRESSIONAL COMMITTEES WITH AN INTEREST IN THIS

Honorable George Bush
Director
Central Intelligence Agency
Washington, DC 20505

Dear Director Bush:

I noted in the Washington Post of June 4, 1976, that the Central Intelligence Agency plans to destroy secret records compiled over the past year concerning illegal and improper agency activities. As chairman of the Senate Subcommittee on Administrative Practice and Procedure, which monitors federal information practices and has jurisdiction over agency administration of the Freedom of Information Act, I urge you to defer any such planned destruction for the foreseeable future.

First, the Senate has recently established a new Select Committee on Intelligence Oversight which is not yet fully organized. As a strong supporter of the Resolution establishing that Committee, I believe that its members should first have the chance to make an independent determination whether any of the documents in question might be necessary or useful to their activities.

Second, there are federal statutes relating to the maintenance of records which may be applicable to the records in question, even if they were illegally compiled or reflect improper agency activities. Although you may have determined that those laws are not here applicable, FBI Director Kelley, for example, has publicly stated that the Bureau could not destroy similar materials because of

June 7, 1976

federal record-keeping laws. I would like for my subcommittee to have the opportunity to review those provisions in light of the proposed document destruction.

Third, proposals have been advanced that would require federal agencies engaged in illegal activities which may have violated the constitutional rights of American citizens to notify those persons of such activities. The Department of Justice is entertaining such a proposal, and legislation to that effect is presently pending in the House. Destruction of the records in question may make notice impossible, and thus should be deferred until Congress has determined whether or not to act in this area.

Fourth, there is pending in the House legislation (which I am considering introducing in the Senate) to allow certain classes of persons to sue the federal government for injury arising from the administering of dangerous drugs by federal agents or employees without the informed consent of those persons. (A private bill affording payment of a settlement in the case involving the Olsen family has already cleared the Senate.) Destruction of records might present an obstacle to the Congress's ability to make judgments in future cases like this.

Fifth, there may be outstanding requests under the Freedom of Information Act that encompass the material in question. In at least one reported case, a federal court has strongly criticized an agency for proceeding, even under a routine records-destruction procedure, to dispose of documents falling within the plaintiff's request; it would be unconscionable for this to occur again.

In short, while it has been reported that you have concluded that records destruction will be consistent with applicable laws and requirements of pending litigation and Justice Department investigations, it is equally important that any such destruction be considered in light of pending or proposed legislation and congressional investigations, and further, that there be no ambiguity as to the application of such "applicable laws."

Obviously any after-the-fact assessment would be fruitless where the proposed action would obliterate the only material which would provide any basis for such assessment.

It is inconceivable to me that the Central Intelligence Agency would not have sufficient file storage capacity to maintain the integrity of the documents in issue for the foreseeable future. In light of the continuing interest of the Congress and the public in the intelligence activities of government--past as well as future--I therefore request that the proposed document destruction not be carried out until the many congressional committees with an interest in this area have been heard on the matter.

Sincerely,

Edward M. Kennedy
